Palma, Old Town

This astonishing old apartment is in the center of Palma which is just around the corner from Paseo del Borne. This property personifies three words Generous, Central & Luxurious. It consists of a generous space of more than 220m² living space with 3 Bedrooms with en-suite bathrooms and 1 guest toilet. Already at the entrance you get a feeling of exclusive elegance that radiates the apartment and when you enter a large hallway with about 15m² a sense of generous space you would feel immediately. In the area of the corridor is also a guest toilet and from here you can reach the beautiful dining kitchen with about 22m² and the dining room which is 17m². All rooms contain a lighting and equipment concept from their premium partner for luxury interior design STORK Interior Design Mallorca. Last but not least there is a beautiful and spacious roof terrace, which may be used by the tenants of the house.
